Steve,

Please see below from Maryam. Her note looks fine to me. As for the highlighted bit for us to fill in, shall I include Patrick and Kathy? I haven't heard from them about whether they can do Monday at 3:30... I'm inclined to include their names in the note to Penny and just let her know on the call that they couldn't make it (if that's the case).

Sara

Please review.

Good Morning Penny!

Director Lee asked me to reach out to you to set up a call between EPA, DTSC and CCAEJ. EPA would like to share the proposed approach for conducting additional sampling at the Riverside Ag Park site, and obtain feedback on that approach from CCAEJ. EPA attendees will include xxxxxx. DTSC attendees will include myself, Greg Neal (Geologist), Dr. CY Jeng (Toxicologist), Ana Mascaranes (Assistant Director of Environment Justice) and Dot Lofstrom (Acting Deputy Director, Cleanup Operations). It appears that Monday August 24th from 3:30 PM through 4:30 PM works for both EPA and DTSC. Please let me know if this works for CCAEJ, or if there is another time and date that would be better on your end.

I am looking forward hearing back from you. Thank you.
